*Open to internal and external candidates*

£20,661 pro rata  
14 hours per week  
9-month temporary contract  
Based in Pewsey, with mobile working  
across parts of Wiltshire

Home-Start Kennet is a voluntary organisation offering support, friendship and practical help to parents with young children in our local communities.

Thanks to funding from The Royal British Legion, we have an exciting opportunity for a Family Group Leader to join our team. The Family Group Leader will be responsible for developing and delivering a programme of family group sessions designed to support military families with young children, who are either moving to the Wiltshire area from military bases abroad, or moving on from military life.

It is essential that candidates have a strong understanding of the needs of families with young children, in addition to knowledge of the military. Candidates must also hold relevant previous experience, particularly of delivering group work or training sessions, and possess excellent interpersonal and communication skills.

Use of a car is essential. This post is subject to an enhanced DBS records check.

or Tel 01672 569457

**Application Closing Date: Friday 28<sup>th</sup> July 2017**

Interviews will be scheduled for August and this post will commence in September 2017.
